### New business:

Mike K. stated the ninth floor at the Yale hospital has been showing interest in having a meeting brought in so we will wait for a formal invitation and then set up with PR. a presentation for them.

We are trying to figure out where to send the rent check and who to make it out to in order to not break our traditions. Will talk to facility to see if we are causing problems by giving them a check because they say they don't want rent. Trying to figure out best course of action.

Boston Bob stated he is volunteering at S.C.R.C. After some discussion it was a group consensus that H&I doesn't support what he is doing, holding a "rogue" meeting but as long as he isn't representing H&I and isn't using our literature we can't stop him.
