

SFCANA Policy Subcommittee

March 7, 2015

The Policy Subcommittee did not meet in February.

The next Policy Subcommittee meeting will be held on April 4, 2015, immediately following the SFCANA meeting at CCAR (with permission)

As noted last month, there exist many Policy documents to review, organize and understand prior to being completely up to speed as the new Policy Chair.

Two copies of the latest Policy draft (12.31.14) have been brought to this meeting today and additional copies will be brought next month, once they have been copied at a vendor, i.e. Kinkos or the like. There does exist funds for copies in the Policy Committee budget.

Please join me, if interested in being on the Policy Committee, directly following the area meeting to to determine interest and strategy going forward.
