

Southern Fairfield County Area of Narcotics Anonymous Vice Chair Report

March 7, 2015

I attended the Public Relations meeting on Sunday February 21st. I'm happy to announce that Berto will be reassuming his position as Chair of this committee and that we have formed a solid committee as well.

I have also announced the need for support at area on all levels at every meeting I've attended this past month.

I have no other business to report at this time.

Grateful to serve,

Dawn S.
