2018 World Service Conference.

As you know, LisaMarie and I attended the World Service Conference in California. We are preparing a summary Report which will be ready for the June RSC Meeting.

World Service Conference Voting

Attached are the full details on the decisions made on all Conference Agenda Report (CAR) and Conference Approval Track (CAT) motions. As you will see, the first column identifies the motion number; the second column contains the actual motion; the third column includes the voted conscience of the Connecticut Region and the fourth column reflects the initial straw poll voting and final decisions by the World Service Conference.

South Florida FIPT Inspection Request. On May 2, 2018, the World Board Chair and CEO of NAWS, Inc. met with the South Florida Regional Delegate, Alternate Delegate and the South Florida Regional Chair.
