NAWS is also requesting that Regional Delegates submit a separate response from their Regions by **April 7, 2018**. We will need to poll the Region today.

Northeast Zonal Forum

As reported last month, the NEZF held a virtual Zoom Meeting on Sunday, February 25, 2018 and the Public Relations Ad Hoc presented the Strategic Plan in response to the October 2017 Proposal. We have provided the Regional Public Relations Chair with sufficient copies of the Strategic Plan to discuss it with the Area PR Chairs.
