Chair Report
June 20, 2018

I attended the Regional Public Relations Subcommittee meeting on June 13th. There were four of the nine areas represented. One of the discussions that took place was the implementation of a new web based phone system (Twilio) and application (Yap). We also discussed the Regional Unity Day coming up on September 15th ... at the Masonicare at Ashlar Village, 74 Cheshire Rd., Wallingford. (1:00pm ~ 5:00pm) ...

The SFCASC Unity Day has been scheduled for August 11th ... flyers have been made and are available.

If you would like to help with Area Unity Day... the ad-hoc will be meeting again on July 3rd at 618 West Ave. (2nd floor), Norwalk @ 6:00pm or call, there are contact phone numbers on the flyer

Grateful to Serve,
Bill B.
