GSR LIAISON REPORT FOR JUNE 20, 2018

Hello All,

I was only able to visit one group this past month, East Side Story in Bridgeport. The Group was very welcoming, and gratefully received my presentation. The group, as a whole, expressed great interest in connecting with this body. I attempted to make other meetings in Bridgeport but was hindered by both my work schedule and I-95 traffic. I intend to concentrate on Stamford meetings in the upcoming month.

In Loving Service
