

## Southern Fairfield County Area Web Servant Report

I have reached out to the members of the SFCA via an e-mail message, asking for any reports to be e-mailed to me so they can be posted online on our area's page, which is part of the CT Region web-site. This would also apply to flyers for events.

To date, I have received what policy the policy committee has available from Tali, the March H&I report from Alex, the GSR liaison report from Gloria and the e-mail contact list from Nysera. I thank each of you. For April, I am asking each of the committee chairs or officers who submit written reports to e-mail me your report in either word processor or PDF format so they can be uploaded to the Internet.

Please send these to me at [sfanaweb@gmail.com](mailto:sfanaweb@gmail.com) If you add this address to your contact list, it should prevent it being blocked or caught in a spam filter.

Yours in Service  
John K, Web Servant

## **Southern Fairfield County Area of Narcotics Anonymous**

March 1, 2013

For the month of February I spoke with a few members from the meetings in the Bridgeport area that did not have GSR's. I will attend their business meetings this month to stress the importance of sending a representative to Area. For the month of March I will contact groups in the Norwalk area (without GSR's representation) with the same information.

I will continue to collect all the leftover flyers after each area meeting to create a packet to be distributed to the meetings that are not in attendance at Area due to lack of support or any other issue. The intent of the packet is to show non-attending groups the important information that is not being communicated to their groups.

In Loving Service,

Gloria C.

I attended the Board of Directors meeting on March 17<sup>th</sup>. The Alternate Executive Director was elected to the Executive Director position and I was elected as the Alternate Executive Director.

There were two volunteers for the Alternate Technical Director. There was a great deal of discussion regarding the position, its duties, and the amount of time the commitment demands of whoever holds the position. Alton W. was elected to the position and will work closely with the Technical Director Nicole D.

The position of Site Selection Director is not yet filled and the process of selecting a site for the 2015 and 2016 conventions must be started. I will work with Troy B. to fill in for the Site Selection Director until one is elected.

We worked out the final details of the BOD budget for this year. Budget items that are a "one time" expense will now be listed as "Capital Purchases" separate from the operating budget for the convention. This was done in order to project an accurate cost of the convention, which is the basis for determining the registration price charged to the attending addict.

There was also a discussion about the recording company's failure to fill all the orders for speaker CDs that were placed. In several cases, addicts put down a deposit or paid in full for CDs that were never received. After numerous attempts to contact the company, it was decided that we will make copies of the CDs ourselves to fulfill the orders. We will no longer be doing business with that company.

The Convention Committee will be moving its meeting from Danbury to Middletown. The BOD voted to move also.

Thank you for trusting me to serve,

Ron B.

03-02-13

I met with the Chief Executive Officer, Chief Financial Officer, and other members of the Board. We refined one of the Excel spreadsheets I've been working on to provide a final accounting report to Region.

I attended the Board of Directors meeting on February 17<sup>th</sup> as well. Each year, the make-up of the Board changes when a new Convention Committee is chosen. Those elected to the Board were:

Convention Chair	LisaMarie O.
Vice-Chair	Leigh B.
Treasurer	Viveca M.
Alt. Treasure	Sharon B.
Secretary	Rita W.

The current Technical Director's term was up but she agreed to stay on and train an Alternate Tech Director when one is elected.

The final accounting report was discussed at length. Suggestions were made regarding ways to make the record-keeping and accounting easier and more accurate for the 2014 convention. I will be working to implement those suggestions along with other members of the Board in the months to come.

The next meeting will be on Sunday, March 17, 2013 at the United Methodist Church, 5 Clapboard Ridge Road in Danbury at 3PM.

Thank you for trusting me to serve,

Ron B.
