

August RCM Report

I attended the Regional Service meeting on Saturday August 17th, 2013 in 2:00pm at the St. John's Episcopal Church in Sandy Hook (Newtown) - 5 Washington Ave, Newtown, CT. There are copies of upcoming events, activities, and subcommittee reports on the back table. I am submitting receipts today for reimbursement of copies. The next RSC meeting will be held **Saturday September 21st 2013 at the same location.**

The Regional Treasurer has resigned and the Alt. Treasurer has assumed responsibilities until a new Treasurer is elected. There are a few Treasurers' Reports. The first is from June 20 – August 16th, 2013 and the second is from after the RSC meeting August 17th 2013. After the meeting and paying expenses for schedule printing and other expenses) our Prudent Reserve fell below 40% and according to Policy, a financial emergency now exists. We will continue to be in this state until the balance of Regional Funds rises back above 60% of Prudent Reserve. The Alt. Treasurer has indicated that it shouldn't be an issue if we receive some Area donations next month.

The Webservant is working with ImageWorks to design, test, and integrate new mobile site. She is also requesting that in keeping with the spirit of anonymity, we double-check for phone numbers in our Area minutes before submitting them to the website. There is also a discussion going on as to how a meeting can go about getting printed in the schedule. There is a group in USA that wants to be included in the schedules but doesn't want to become a part of that Area. It is in our policy that

V.A.5.c Only area's can submit a new meeting to Schedule Chair through their RCM and:

With that being said Area and Region are here to serve the groups. It is our primary purpose to help the still sick and suffering addict and that occurs in our meetings. So this issue has been tabled until next month and your input is welcome!

Literature Committee, WSR, and PR are in need of support!
