Troy B. - (203) 887-3467 - LisaMarie S. - (860) 816-0283—Allyse M. - (860) 622-8450

Issue Discussion Topics are subjects that recovering addicts in NA communities around the world focus on in discussions and workshops throughout each two-year conference cycle. These conversations encourage us to think more deeply about relevant topics and help build unity within our groups and service bodies. In addition, sending the results of your discussions to the World Board can help shape Fellowship-wide resources and services.
