

SFCANA

Hospitals and Institutions Subcommittee

Chair Report

April 2015

SFCANA H&I met as usual on the last Sunday of the month (3/29) at CCAR. There were 15 voting members in attendance. We had three addicts join us for the first time to potentially join H&I and one addict requalified!

There is not much to report for March as most of the things that we've been trying to accomplish over the past month either haven't changed or are still in a "holding pattern."

Our APT Women's meeting is staying on Tuesday until further notice. It works best for all involved. Nothing will be changing at Silver Hill about reducing their number of presentations.

I hope to receive some input from our GSR's about the 'Calling All Cards' flyers that we brought to ASC last month.

I attended the Regional H&I Subcommittee meeting in New Britain on 4/1/15. We discussed selling H&I t-shirts at the Pig Roast and had a visit from Region. Business as usual.

Support for H&I is greatly needed and encouraged, particularly that of women and bilingual addicts.

Grateful to serve,

Andrew S.
