

## Southern Fairfield County Area Web Servant Report

I have reached out to the members of the SFCA via an e-mail message, asking for any reports to be e-mailed to me so they can be posted online on our area's page, which is part of the CT Region web-site. This would also apply to flyers for events.

To date, I have received what policy the policy committee has available from Tali, the March H&I report from Alex, the GSR liaison report from Gloria and the e-mail contact list from Nysera. I thank each of you. For April, I am asking each of the committee chairs or officers who submit written reports to e-mail me your report in either word processor or PDF format so they can be uploaded to the Internet.

Please send these to me at [sfanaweb@gmail.com](mailto:sfanaweb@gmail.com) If you add this address to your contact list, it should prevent it being blocked or caught in a spam filter.

Use this address to view the CT Region web site - <http://ctna.org/>
