

Southern Fairfield County Area Web Servant Report **July 2013**

As I receive reports, I submit them to our regional Webservant for posting on our page of the CTNA.org website. The only report I received for June was from Jay.

I ask again, that anyone who submits a report at this body, please e-mail me a copy of the report for posting. That goes for activity flyers as well. If we want to have good, current information for Southern Fairfield Area, we must all work together to get the information posted.

Please use this e-mail address to submit items to be posted - sfanaweb@gmail.com

Thanks for your cooperation.

Yours in Service
John K, Web Servant
