

## **SFCA Web Servant Report**

May 2, 2015

The SFCACM minutes and reports for April 2015 were scanned and sent to the regional web servant; and are currently posted on the SFCA web site.

Some, but not all, activity flyers and updates that were sent to region made it to the web site (as of yet).

I continue to monitor the incoming SFCA emails and the updates from the regional web site Ad Hoc committee.
