

SFCA Web Servant Report

February 7, 2015

The sfca@ctna.org mailbox is now "Clean", up to date, and no longer threatening it is full.

The Activities flyers that were given to me at our last Area meeting have been scanned and are now posted on the SFCA web page.

I attended the Region meeting and spoke to Donna H. (CTNA Web Servant) about procedures and ways to work together to update the SFCA web page.

ILS,
Bill B.
