

SFCANA

Area Subcommittee

Chair Report

April 2016

Our RSC hosting went well with the help of a few fellow addicts setting up and cleaning up. We host Region one more time on the afternoon of April 16th. As usual, all are encouraged to attend and see how your RSC runs.

I have submitted receipts for the snacks that we put out for our Regional members. We put together some light fare to save on budget and no one seemed upset. Except that one guy. We threw him out. I don't recall the totals for those snacks, some were donated. I'm sure it will be reflected in Ray's Treasurer report at some point. I don't recall if group conscience decided what to offer as a donation to the church and we may or may not need to discuss that today.

Alex W. let me know that our P.O. Box has not been paid for and has since closed as a result. We need to figure out all of that today.

Chad and Celeste (our Ad-Hoc committee) both spoke to me about the location that they had found for the ASC Learning Day/Fun Run. A deposit is required to hold the location and we decided that we needed to bring that potential option to the ASC today to discuss before booking the day.

I also spoke with our Vice Chair who decided to step down as she is now working on Saturdays. Ray let me know that he would not be in attendance today and without a Vice Chair, I will need help collecting group reports/fund flow today.

Notes from RSC (in lieu of an RCM):

There are plenty of open positions OTF at Region. I didn't take great notes as I left the RSC after the sharing session but prior to that voted to accept the RSC budgets for this year. Not only did they seem reasonable, I voted along with group conscience at the table. There is a motion to move our Convention to a different hotel in the upcoming years. I have (6) copies of the RSC Secretary notes if anyone wants them. All RSC reports are also located on our website.

Grateful to serve,

Andrew S.
