Monthly report for the April Area Service meeting.

We did not meet in April as it was Easter and no one has been showing up. WE DID GET A NEW MEETING SPACE AND TIME. We will now meet every 3rd Tuesday from 7:00 to 8:00 PM at the Brigeport Public Library - North Branch, located at 3455 Madison Ave. The next three meetings will be held on April 19th, May 17th and June 21st.

I went on two joint visits with Alex W the H&I chair, where H&I was able to set up two new womens H&I meetings - one at Tina Klem and one at APT Foundation. At both locations, we left a plastic 4 pocket literature rack with IP's and meeting schedules. We look to start getting more racks out, and have two current requests for racks with literature which we plan on providing.

A contact sheet was made and will be made to help our efforts to answer calls, make 12-step calls, place posters and give presentations.

{Please keep contact names coming in. We especially need people in the lower (Stamford) area of the state.
