

CRCC, Inc.
Connecticut Regional Convention Committee
BOD Report

12-03-16

I did not attend the CRCC, Inc. Board of Directors meeting on November 13th. I was celebrating my 25th anniversary in NA with my biological family and my sponsorship family. The Greater Danbury, Midstate Unity, and Tunxis Valley area Board seats are still out to the fellowship.

I will be working on the convention merchandise pricing and I am currently in the process of securing insurance coverage for the convention.

Please announce the convention at your meetings and that registration can be done online or by mail. Also, be sure your group has some of the convention brochures.

Thank you all for trusting me to serve,

Ron B.
