

CRCC, Inc.
Connecticut Regional Convention Committee
BOD Report

03-05-16

The CRCC, Inc. Board of Directors meeting did not meet in February. The Tunxis Valley Area Board seat has been filled but still needs final approval by the Board. The Alternate Technical Director position is still open.

I met with the Treasurer to work on the final accounting report. CRCC, Inc.'s fiscal year is from April 1st to March 31st. We also met on another occasion to prepare the budget worksheets that are handed out to the various Convention Committee Subcommittee Chairs so they can begin to prepare their budget requests for the 2017 convention.

The IRS removed the penalty charge they had imposed. Originally, they could not find a record of our tax filing even though we had filed on time.

Thank you all for trusting me to serve,

Ron B.
