

SFCANA Policy Subcommittee

June 4, 2016

The Policy Sub-committee met briefly after May's Area meeting and discussed the review of the format, not content, of the Policy Manual to get feedback. The manual was sent out to one addict and another viewed the document via hardcopy. I received no other requests to view it so I have sent it out to members of Area, via the most recent email distribution list that I have. Please send suggestions back if you have them.

Policy #70, the actual motion regarding drug replacement therapy and all service positions at Area has been found and added to the Policy Manual.

The Policy Sub-Committee will not meet today. Feedback regarding the Policy manual, if any, received by the end of June will be reviewed by the chair and brought to July's Sub-committee meeting in July for discussion..

WE NEED RECOVERING ADDICTS

THE ONLY REQUIREMENT FOR MEMBERSHIP IS THE WILLINGNESS TO SERVE!!!

In loving service,

MARK F
