

H&I Chair Report for April 2016

I attended Regional H&I in New Britain on Wednesday 4-6-2016 and gave the area report. me All positions are filled at the regional level. There is discussion of where and when to hold the regional learning day but as of yet there is no firm plan. There was discussion of how to increase attendance at area H&I subcommittees so that all possible presentations are being served.

I did attend SFCANA Area this month and gave the H&I report.

The Women's Program presentation at APT began this month and it was reported to me that the meeting is going well.

I contacted Maria Lutz the Director of the Women's Program at Tina Klem House. I informed them that their presentation would not begin in April, as we did not have enough female support to begin the presentation. I informed her that I would contact her to inform her if the meeting would/would not begin in March. This will depend on if we have enough women to begin the presentation.

I submitted a draft of "Presentation Information" sheet to the Secretary (Ray F) for review. He made some edits and we will begin using this in the coming months.

Please remember that monthly attendance at this meeting is a part of the H&I commitment.

Please remember to use the contact list if you have to fill a panel spot and announce the subcommittee meeting time and place at each meeting you attend.

In Loving Service,

Alex W
