

SFCANA

Area Subcommittee

Chair Report

November 2016

It was pointed out to me that SFCANA Policy is to have budgets submitted in October, brought back to our groups for discussion, returned to ASC in November to address any questions that may have been brought up at groups, and then voted on at the December ASC.

I intend to move forward in that way based on our policy, but if there are no questions from the groups raised, I will entertain a motion to vote on Area budgets this morning.

I think that's all I've got from October. Thank you all for your service to our fellowship.

Grateful to serve,

Andrew S.
