

H&I Chair Report for October 2016

I attended Regional H&I in New Britain on Wednesday 10-5-2016 and gave the area report. All positions will be up in October. Voting was done and all positions are currently filled at the regional level. Shannon is the new Chair and Mike B. is Vice-Chair.

I did attend SFCANA Area this month and gave the H&I report.

The BCC presentations have been on hold since Wednesday, September 28th. The state does training at BCC every year about this time and it usually falls on the same day we do our meeting. After much back and forth with the contact at BCC we have decided to move the meetings from Wednesday evening till Monday evening. Everything will go back to the way it was after the training is over.

I have been contacted by members of the sub-committee and been informed that people are still giving out their personal phone numbers to client in the facility they serve. In addition people are telling clients that they can help them with jobs and housing when they get out. This must stop immediately. If for some reason people don't believe that they can adhere to the Policies of the H&I subcommittee maybe service in another part of NA would be more beneficial for both the individual and this subcommittee.

Elections are coming up and people should begin to think about who they want to fill the positions. The chair will need to be voted in next month and they will need to attend Area in December to be voted in by the GSR's. All other elections can take place in December.

Please remember that monthly attendance at this meeting is a part of the H&I commitment.

Please remember to use the contact list if you have to fill a panel spot and announce the subcommittee meeting time and place at each meeting you attend.

In Loving Service,

Alex W
