Vice Chair Report

June 6, 2015

I met with Jay on 5/31, to get the checkbook and review treasurer's duties and reports for June and July.

I attended the PR subcommittee meeting on 5/31 as well. Report to follow from Berto.

I just wanted to let you all know that now that I am officially on the road, I am more readily accessible to help out at sub-committee level and be better able to fulfill my commitment as Vice-Chair.

Grateful for the opportunity to serve,

-Dawn
