

CRCC, Inc.
Connecticut Regional Convention Committee
BOD Report

12-05-15

I attended the Board of Directors meeting on November 15th. I am still working with our insurance agent to secure insurance coverage for the convention. I have also received the information I need from the Merchandising Subcommittee so that I can come up with suggested prices for the individual items that will be sold at the convention. My goal is to have that ready for the next Board meeting on the 20th.

The Board voted to approve the contracts with the Stamford Hilton for the 2017 and 2018 conventions. An excellent job was done by the acting site selection member of the Board in negotiating the contracts. The original proposal made by the hotel would have resulted in significantly higher costs. The Board would like to lock the hotel in for two more years if possible.

The Tunxis Valley Area Board seat and Alternate Technical Director positions are still open. The Site Selection and Alternate Site Selection positions are no longer open, as there is no need for them.

A copy of the tax return we filed was sent to the IRS. I have no further news but it seems like some sort of clerical error occurred.

As of the meeting date, there have only been 75 registrations sold, however, we are ahead in revenue compared to last year at the same time. It is important to announce the convention at your groups. The deadline for the drawing has passed and the winners will be picked at the December Regional Meeting. Registration can be done online at ctnac.org or by mail. Convention brochures are available with all the information.

Thank you all for trusting me to serve,

Ron B.
