

CRCC, Inc.
Connecticut Regional Convention Committee
BOD Report

11-07-15

I attended the Board of Directors meeting on October 18th. I am also working with our insurance agent to secure insurance coverage for the convention.

The Tunxis Valley Area Board seat is still open; as are the Site Selection, Alternate Site Selection, and Alternate Technical Director positions. The At Large position was filled by Robert T.

We received a notification from the IRS that they did not receive our tax return from the previous year. According to our accountant it was filed, so a couple of Board members are following up to get the situation resolved.

Bids for comedian, tapers and signers were received and gone over by the Board. With some minor revisions, the Board approved the contracts with the vendors recommended by the Convention Committee.

The process of site selection for the 2017 and 2018 conventions is underway. Costs will be going up and negotiation is very important in getting the best possible deal.

As of the meeting date, there have only been 33 registrations sold. It is important to announce the convention at your groups and remind everyone that preregistering for the convention gets them entered into a drawing for a free hotel room. There will be two hotel rooms given away. Registration can be done online at ctnac.org or by mail. Convention brochures are available with all the information.

Thank you all for trusting me to serve,

Ron B.
