

Hospitals and Institutions Subcommittee

Chair Report

October 2015

SFCANA H&I met as usual on the last Sunday of the month (9/27) at CCAR. There were 10 voting members in attendance. We had one addict qualify for service. Welcome, Paul!

As with last month, all BCC presentations are still on hold due to restructuring in-house. Women's APT and Mary Magdalene have both been put on hold until further notice. We again find ourselves without the women's support to fulfill our commitments to these facilities. More will be revealed.

Planning for our Learning Day picnic on Sunday October 25th (11-4pm) is well underway. We encourage all to attend. We have reserved both the War Memorial building in Shelton and the adjacent ball fields for plenty of activities. I have asked an addict from GWANA who lives and breathes H&I service to share his ESH that day and we hope to have participation from SFCANA PR as well.

This is sure to be a fun event as we are planning a Welcome Autumn party with plenty of fellowship and food! Aside from the speaker, we hope to have a little bit of information on the facilities that we serve and what we do at H&I in the pursuit of fulfilling our primary purpose. Flyers were passed out last month and I have provided a few more this month for anyone who needs a copy.

Our subcommittee discussed and is presenting our 2016 budget for respectful consideration.

Grateful to be alive and recovering,

Andrew S.
