

Web Servant Report

Oct. 03, 2015

The committee/subcommittee reports and activity flyers from the September ASC meeting were scanned and sent to the alternate regional web servant and are currently posted on the SFCA web site.

I also included under Area News and Announcements, the groups that expressed need of addict support.

Other requested changes to the web site did not happen. I will follow up with the Alternate Regional Web Servant.

I continue to monitor the incoming SFCA email inbox.

ILS,
Bill B.
