

CRCC, Inc.
Connecticut Regional Convention Committee
BOD Report

08-01-15

I attended the Board of Directors meeting on July 19th.

The Tunxis Valley Area Board seat is still open; as are the At Large, Site Selection, Alternate Site Selection, and Alternate Technical Director positions. The At Large position is a one year position and only open to those who have previously served on the Board or Convention Committee.

All subcommittee budgets have been approved.

The Connecticut Regional Convention Committee, Inc. (CRCC, Inc.) federal income taxes were filed on time. We do not owe any taxes.

I met with the Treasurer twice along with another Board member who is an accountant by trade. The Board is moving to the use of QuickBooks to manage its accounting. We were using Quicken but it was lacking in some features we really needed, so we met to discuss what we needed and how we should transition.

I also met with the Treasurer on a separate occasion to familiarize him with the Excel spreadsheet I created to figure how much should be charged for convention registration and events. The goal is to keep the price to the addict attending the convention as low as possible while still having a reasonable certainty of not losing money. I'm happy to say that despite the fact that some costs have gone up, the convention price structure is exactly the same as it was last year. We are basing that on the expectation of attendance numbers at least equaling what we had for the 2015 convention, so please support YOUR convention!

I will also be working with another Board member to bring the corporation bylaws up to date.

Thank you all for trusting me to serve,

Ron B.
