

Southern Fairfield County Area RCM Report August 1, 2015

Region Met July 18, 2015 in New Haven. This was an "A" month and 6 areas were in attendance.

Previous months minutes were discussed and accepted.  
The Chair report was read and accepted. The Vice Chair was absent.

**Regional Treasurer Report-** The treasure reported that the region opening balance on June 20 was \$3,580.83. Donations to WSO \$684.66. Closing balance \$3,580.83.

**Regional Delegate** report included plans for both RD and Alternate to attend the NEZF in NY in October. There was concern among the RCMs that there is a conflicting convention nearby made up of longtime NA members who oppose and wish to overtake the NAWS and the NA Fellowship literature which is protected by the patented NA cr intellectual property trust. The same concern was expressed at the previous NEZF by other regions. The group known as USSC is not a part of our NA service structure and not supported by CT Region. In light of this the RD and the RDA expressed their intention to attend the meetings of this splinter group after the NEZF meetings adjourn on Friday and Saturday "to see friends". This is viewed by RCMs at the table as unacceptable behavior and wish to ban regional funding of their attendance at the NEZF.

**RDA Report** - Questions raised around the promotion of the NY Region as a literature source for CT Region. It was noted by a previous RD in attendance that we need to continue to order literature from WSO to support the NA Fellowship

**Old Business** – Facebook motion out to the Areas for vote in August Regional Meeting.

**New Business-** Motion 1 – Ask our web Servant & PR Committee to create a fellowship survey based on services available to create a new ct.org website. Motion made to postpone for 30 days due to time constraints.

A motion was made to use the August B Month to hear, discuss and vote on the second and third motion from July during August meeting.

Hartford Area will be hosting The Regional Meeting August 15, 2015 for the next three months @ Avery Street Christian Reform Church, 399 Beelzebub Rd, South Windsor, CT 06074. All NA members are welcome to attend.

In loving service,

Taffy C., RCM
