

Hospitals and Institutions Subcommittee

Chair Report

July 2015

SFCANA H&I met as usual on the last Sunday of the month (5/31) at CCAR. There were 14 voting members in attendance. We had two new addicts qualify for H&I service this month and one addict re-qualify!

Our presentation with our BCC contacts was cancelled on their end. Still waiting for a time to meet with our contacts there.

I have been in touch with Maple St. facility that we serve about lack of attendance and are waiting for their feedback.

We are getting information on two different locations for our learning day in Norwalk and Stamford. PR asked to have their learning day in conjunction with H&I, which we gladly encourage. Our plan is to have the learning day in the early fall and

We seem to have support for our current 13 facilities but are really on a shoestring. As always, H&I welcomes support from all addicts with a desire to carry the message of Recovery and Hope to addicts that can't get out to regular meetings.

I was contacted by our Area Treasurer about our abnormally large literature order and its repercussions and our Literature Chair understands going forward not to place an order over \$300 without prior approval. Good news? Plenty of literature going forward.

Grateful to be alive,

Andrew S.
