**Regional Learning Day September 7<sup>th</sup> @Ashlar Village in Wallingford, CT**

**MOTION #1**

To change “three” for “two” in section III.C.3.d.ii of Regional Policy and the word “January” to “December” in section V.B.2.a of regional policy.

Intent: This change will allow an extra month for areas to consider motions referred to them. The extra month allows an informed conscious to take place as Area questions can be answered at the next RSC meeting and the answers considered before a conscious is taken. This should reduce the number of abstentions in motions sent to the area for consideration due to confusion or lack of clarity. Today the timeframe doesn't allow the areas to present questions from an ASC motion sent to them. The change in month on budget due dates would be housekeeping to allow budget to be out to the area for three months instead of two and questions be answered before a conscious is heal. This recommended change is from the GWANA

**MOTION #2**

To approve budget expenditure of \$120.00 for hard copies of regional policy

Intent: To provide members an updated policy
