**BOD Report**

12-16-20

I attended the Zoom Board of Directors meeting on Sunday. It was a short meeting. The main point of business was review and approval of changes to the corporation By-laws. Other than updating the Area Directors' term dates and adding the Hotels and Hospitalities Subcommittee chair as a non-voting member of the Board, all other changes were for clarification and consistency.

Thank you all for trusting me to serve,

Ron B.

# SFCA Web Servant Report

---

Dec. 16<sup>th</sup>, 2020

I submitted the October area minutes and committee reports to region and they did post to the website. I deleted messages in the spam folder of our mailbox to free up some space there. I've yet to go through some of the other older messages to clean it up some more.

I will begin working on consolidating reports and minutes from the prior months which have not yet posted to the regional website and forward them there. There were some months we did not meet either due to covid or poor attendance and no reports are available.

On Dec. 19<sup>th</sup>, NAWS will be hosting a webinar on "Carrying the message effectively and virtually". The details on how to log in are located on the na.org website under "For our Members" and then "NAWS Webinars". PR and H&I members are encouraged to attend.

ILS,

Mike L. SFCA web servant
