BOD Report

12-16-20

I attended the Zoom Board of Directors meeting on Sunday. It was a short meeting. The main point of business was review and approval of changes to the corporation By-laws. Other than updating the Area Directors' term dates and adding the Hotels and Hospitalities Subcommittee chair as a non-voting member of the Board, all other changes were for clarification and consistency.

Thank you all for trusting me to serve,

Ron B.
