This body shall be known as the Connecticut Regional Service Committee of Narcotics Anonymous, hereinafter referred to as the CTRSC.

I. Purpose

The Primary Purpose of the CTRSC is to carry the message of Narcotics Anonymous to the addict who still suffers and to further the unity of the Fellowship within our Region and other Regions by maintaining communications between the Areas represented and Narcotics Anonymous as a whole, in accordance with our Twelve Traditions and Twelve Concepts.

To ensure that our Primary Purpose is carried out, the CTRSC shall have Subcommittees directly responsible to those they serve.

A Vision for NA Service

All of the efforts of Narcotics Anonymous are inspired by the primary purpose of our groups. Upon this common ground we stand committed.

Our vision is that one day:

- Every addict in the world has the chance to experience our message in their own language and culture and find the opportunity for a new way of life.
- Every member, inspired by the gift of recovery, experiences spiritual growth and fulfillment through service.
- NA service bodies worldwide work together in a spirit of unity and cooperation to support the groups in carrying our message of recovery.
- Narcotics Anonymous has universal recognition and respect as a viable program of recovery.

Honesty, trust, and goodwill are the foundation of our service efforts, all of which rely upon the guidance of a loving Higher Power. (4/15/2017)

(In other words, the prudent reserve is three month's average expenses.) In effect, the Convention Corporation Treasurer acts as a banker to the Regional Treasurer with regards to this money. The Regional Treasurer instructs, in writing, the Convention Corporation Treasurer to make payments for expenditures authorized under regional policy. The Convention Corporation Treasurer provides the Regional Treasurer with a monthly statement of payments and balances. In some places, regional policy explicitly states that these funds should be treated in the same manner as other regional funds. This principle should be applied in all cases, even when it has not been explicitly stated. For example, in the policy on fund flow, "amounts paid out during the RSC meeting" includes any amounts the Regional Treasurer has determined will be paid by the Convention Corporation. Specific service or vocational experience should be considered prior to election. It should be clearly understood that the Subcommittees have specific service responsibilities to perform. (See Article VIII and Article IX, Section 2 below)
- Subcommittees are vital to the Convention and individuals should expect to be replaced if they are unable to serve for any reason. Naturally, relapse necessitates replacement; this is because we are as concerned for the member as we are for the service responsibility. Each Subcommittee has only one chairperson who then recruits committee members from the fellowship at large.
- VI.A.4.b. Qualifications. All Subcommittee Chairperson Candidates must:

The privilege to vote is regained at the second consecutive meeting attended. A Subcommittee Chairperson, or an authorized representative of the Subcommittee, may vote on questions and matters concerning the specific Subcommittee regardless of previous attendance.
- VI.A.5.a.i. The majority will be the deciding factor in all voting. For the purpose of all business (except elections), a majority vote is defined as being one (1) more vote than half of the voting members in attendance. Whenever less than sixty (60%) of the voting members present vote yes or no on a motion, there will be a second discussion and a second vote which will be final.
- VI.A.5.b. Election of Trusted Servants. The majority vote will be the deciding factor in all voting. For the purpose of electing Trusted Servants, a majority vote is defined as being the majority of the total number of voting members present. (e.g., if there are 10 voting members, a nominee or volunteer must receive 6 or more votes). If there are three or more nominees and/or volunteers, the one receiving the least amount of votes is removed from the ballot and the vote is taken again.
- VI.A.5.c. To Adopt, Amend, or Rescind Policy. The general voting procedure outlined in Section 1 above applies, with the exception that a two-thirds majority vote is needed to adopt, amend or rescind policy.

VI.A.6. Motion Procedures

The Convention Committee may approve transfers from line items in an approved Subcommittee budget; however, any change that increases the total expenditure amount for a Subcommittee must be brought to the CRCC, Inc. Budgetary decreases are to be made at the discretion of the Treasurer with the understanding of the corresponding Subcommittee Chairperson.
- VI.A.7.c. Operating Statement. The CRCC, Inc. Board of Directors will prepare a pro forma operating statement, taking into account all Subcommittee budgets, cash requirements, projections or income as well as hotel meal and coffee costs. - VI.A.7.g. Procedure for Bounced Checks. The following outlines the procedure for handling checks that bounce for the purchase of registrations and/or merchandise:
- VI.A.7.g.i. No one should ever be turned away from the Convention.
 - VI.A.7.g.ii. If an attendee whose check has bounced does not redeem the check at the time they pick-up their registration packages at the Convention, the attendee will only be entitled to a walk-in registration. If the check clears after the Convention, any funds collected above the cost of a walk-in registration will be returned.
 - VI.A.7.g.iii. The Convention Committee will no longer accept checks from any attendee whose check bounces.

 - VI.A.7.h.iii. The Trusted Servant shall be responsible for all fees incurred in collection of the misappropriated funds.
 - VI.A.7.h.iv. A registered letter, return receipt requested, will be sent to the Trusted Servant by the CRCC, Inc. Board of Directors explaining the collection process.
 - VI.A.7.h.v. Ninety (90) days will be given from receipt of the letter to either make full restitution or to make acceptable arrangements of restitution. All restitution arrangements will be in writing and become valid once the first payment is received.
 - VI.A.7.h.vi. The CRCC, Inc. Board of Directors will monitor all ongoing restitution agreements.
 - VI.A.7.h.vii. If after ninety (90) days the Trusted Servant has not responded, or ninety (90) days have passed since receipt of the last payment on an unfulfilled arrangement, the CRCC, Inc. Board of Directors may elect to use all legal remedies available.
- VI.A.7.i. Distribution of Funds Above Prudent Reserve. It is important to understand that Conventions are not the funding source of Narcotics Anonymous and are not established to support special projects or the specific interests of the Convention Committee. In that regard, the Convention Committee and the RSC have adopted the NAWS Fund Distribution Policy (See NAWS Convention Guidelines, Page 33 – Fund Distribution) with respect to distribution of all funds above the Convention prudent reserve (\$7,500). - VI.E.6.a. Definition and Purpose
 - VI.E.6.a.i. A Facebook Page named Connecticut Region of Narcotics Anonymous (CTNA) existed previously and was turned over to the CTRSC in 2020.

"Pages are places on Facebook where artists, public figures, businesses, brands, organizations and nonprofits can connect with their fans or customers. When someone likes or follows a Page on Facebook, they can start seeing updates from that Page in their Feed." This is not to be confused with a user Profile or a Group. Pages are always open to "public" viewing, meaning anyone can view all information posted to a Page.
 - VI.E.6.a.ii. The purpose of the CTNA Page is to communicate NA related information to followers of the Page. It is to be used as a public information tool, not as a discussion forum. Information posted to the Page will be seen by NA members and the general public and, as such, should be considered carefully and with respect to the 12 Traditions.
- VI.E.6.b. Account/Profile
 - VI.E.6.b.i. Facebook Pages must have at least one administrator, so we have created a CTNA Webservant Facebook account (profile). The profile...
 - VI.E.6.b.i.(a) Will have no "friends." Current settings on this profile are as restrictive as Facebook will allow for us to maintain our "no friends" policy.
 - VI.E.6.b.i.(b) Will not like or follow any other Profiles or Pages.
 - VI.E.6.b.i.(c) Will not join any Groups.
 - VI.E.6.b.i.(d) Will not post or comment on the individual timeline or any other Profiles, Pages, or Groups.
 - VI.E.6.b.i.(e) Will not like any individual posts on any Profiles or Pages.
 - VI.E.6.b.i.(f) Two people should have the login information (password). The social media coordinator and the PR subcommittee chairperson. If anyone else needs to have the password there should be good reason.

VI.E.6.c. Communication Best Practices

- VI.E.6.c.i. CTRSC uses Facebook as a broadcast communication method even though other NA service bodies may use it differently. Keep this mind if viewing other NA service body Facebook Pages.

VI.E.6.d. Posts

- VI.E.6.d.i. Style should be similar to what we might use for a poster or public service announcement.
- VI.E.6.d.ii. Do not post pictures of recognizable individuals; keep photos restricted to NA approved artwork or within the context of the communication.
- VI.E.6.d.iii. Be aware of the graphics used in a particular post, be aware of its size so that it shows up correctly.
- VI.E.6.d.iv. Do not post last names or contact information unless permission is granted and is absolutely necessary for the good of NA.
- VI.E.6.d.v. Remove any comments that break confidentiality or are not aligned with our Traditions.
- VI.E.6.d.vi. Always consider the quality of the content and focus less on quantity. Be creative in posts but get the point across quickly.
- VI.E.6.d.vii. Make sure your content is engaging and varied.
- VI.E.6.d.viii. Remember to occasionally post "how to find a meeting."
- VI.E.6.d.ix. Occasionally vary the times you post on your page and profile to reach different segments of your audience.
- VI.E.6.d.x. Do NOT create any Facebook events on the Page.

VI.E.6.e. Messages

- VI.E.6.e.i. Occasionally, someone may send a message to the Page administrator(s). We have an autoreply configured so the Facebook user knows that we've received their message but that we may not provide a personal reply very quickly. If you need to reply to a message, treat it the same way you would treat a phone call to our phonenumber. See the Phonenumber Volunteer Orientation materials if you need a refresher.

VI.E.7. Past Policy.

- No interview be granted without prior written consent to proofread before publication. (4/8/87)
- PSA policy: No Area is to do a PSA until brought to Regional PI/Phonenumber. (4/8/87)
- Moves to suggest to RSC that Regional PI & Phonenumber stand as one committee with one chair and one set of officers. (8/12/87)

VII. Motion Descriptions from WSC Rules of Order (4/27/91)

VII.A.1. Description of Motions.

- The following descriptions are adapted directly from the 1989 WSC Rules of Order and may assist in conducting business on the RSC floor.

VII.A.2. Adjourn

- Means to close the session immediately.

VII.A.3. Amend (a pending motion):

- Means to modify the wording of a pending motion and is considered a primary amendment - that is it applies directly to the main question. The amendment is voted on by itself and before the pending motion. If the amendment is adopted, the main motion is pending in the amended form; if the amendment is not adopted, the main motion is pending in its original form.
- An amendment is generally amendable. This amendment is considered a secondary amendment because it applies to the amendment and not the main question. The secondary amendment is disposed of by itself and before the primary amendment. If the secondary amendment is adopted, the primary amendment is pending in its amended form; if the secondary amendment is not adopted, the primary amendment is pending in its original form.
- A pending motion may be amended many times before final disposition; however, no more than one primary and one secondary amendment can be pending at any one time.
- A member's vote on an amendment does not obligate him to vote in a particular way on the main motion. Because primary amendments, secondary amendment and pending motions are voted on separately, it allows each member the freedom to be in opposition to the amendment(s) but in favor of the motion, or vice versa.
- The motion to substitute, a form of the motion Amend, proposes that a substitute shall come before the assembly in place of the pending resolution. During the consideration of the motion to Substitute, debate can go into the merits of the pending resolution and the proposed substitute, and both may be perfected by secondary amendment, but any amendments to the originally pending resolution will be taken up first. Once all amendments have been made and disposed of, the motion to Substitute is voted on. If carried, the substitution comes to the assembly for vote.

VII.A.4. Amend Something Previously Adopted:

- Means to change a part of a motion already adopted. This motion can be moved by any member regardless of how they voted on the original question. There is no time limit on when this motion can be made.
- **Rescind, Repeal, Annul**, a form of the motion to **Amend Something Previously Adopted**, means to cancel out totally a motion already adopted. This motion can be moved by any member, regardless of how they voted on the original question. There is no time limit on when this motion can be made.
- **Amend the Bylaws** (for WSC, Amend the TWGSS, etc.) is a form of the motion **Amend Something Previously Adopted**. Generally, the document to be amended should have a provision within it stating how it can be amended. If the document does not state how it can be amended, then the **Amend the Bylaws** is in order as a motion. It is suggested that notice be given to the membership regarding an upcoming motion to **Amend the Bylaws** to give the membership adequate time to review.

VII.A.5. Appeal the Chair:

- Means the ruling is taken from the Chair and decided by the assembly. By electing a Chair, the assembly delegates the authority and duty to make necessary rulings on questions of parliamentary procedure. However, members do have the right to appeal and have not right to criticize a ruling of the Chair unless they appeal the decision.

VII.A.6. Commit or Refer to Committee:

- Means to send the pending question or other issues to a committee so that the question or issue may be carefully investigated and put into better condition for the assembly to consider. The motion should specify which committee. If a special or ad hoc committee is needed, the committee can be formed in the same or amending motion.

VII.A.7. Discharge a Committee:

- Means to discharge the committee from further consideration of a question or subject. This is generally only advisable when the committee has failed to report with appropriate promptness, or when the assembly desires for some urgent reason to proceed without aid from the committee, or when the assembly wishes to drop the matter. There is no need for this motion when the committee has made its final report, since that in effect discharges it. So long as the question is in the hands of a committee, the assembly cannot consider another motion involving practically the same question.
- If the matter was originally given to the committee with the subsidiary motion of Commit attached to a pending motion, then the question comes immediately before the assembly. On the other hand, if the matter was given to the committee with a main motion, the matter dies when the committee is discharged. Another main motion is needed to bring it up again.

VII.A.8. Division of the Question:

- Means the pending motion is divided into distinct and separate parts to be considered individually. The motion should state where the division(s) is to be.

VII.A.9. Lay on the Table:

- Means to set the pending motion aside temporarily when something else of immediate urgency has arisen. The proper form of the motion does not state when the matter will be taken from the table. The matter must be taken from the table before adjournment, or the matter dies for that session. However, the matter may be introduced at another session as a new motion.
- If the mover's intent is anything other than temporarily laying the matter aside until an emergency situation is taken care of, then the proper motions/actions are: **Postpone Definitely; Postpone Indefinitely; Objection to Consideration**; or vote against the motion. The motion **Lay on the Table** should be ruled out of order if its intended effect is to kill the motion for the current session. It is proper for the maker to state his reason or for the Chair to ask for the reason of Laying on the Table.
- Since a motion that has been laid on the table is still within the control of the assembly, no other motion on the same subject that would substantially conflict or present the same question would then be in order. To consider a conflicting motion or substitute, the tabled motion would first need to be taken from the table and disposed of.

VII.A.10. Limit or Extend Debate:

- Means the assembly can exercise special control over the total time of debate, the time each member has to debate, or the number of members who can speak on a pending motion or series of motions. This motion cannot impose an immediate closing of debate, the appropriate motion then would be **Previous Question**.

VII.A.11. Main Motion:

- The introduction of new business, or in some cases the reconsideration or amendment of previously adopted business.

VII.A.12. Objection to Consideration of the Question:

- Means the mover believes that the issue is so sensitive it should not even come before the assembly for consideration or discussion. This must be moved prior to any debate or the making of any subsidiary motions. The motion when stated by the Chair is phrased so members are asked to vote for or against consideration. Therefore, those who wish to prevent consideration of the question vote in the negative. If the mover merely disagrees with the motion, the proper action is to vote against the original pending motion.
- If the objection is sustained, the main motion cannot be reviewed during the same session except by unanimous consent or by reconsideration of the vote on the objection; however, the same motion can be introduced at any succeeding session.

VII.A.13. Order of the Day, to Call for:

- Means any member can require the assembly to conform to its own agenda, unless the assembly then **Suspends the Rules** or **Changes the Order of the Day**.

VII.A.14. Parliamentary Inquiry:

- Is a question to the Chair to obtain information on a matter of parliamentary procedure or the guidelines of the assembly bearing on the business being considered. It is the duty of the Chair to answer such questions when it may assist a member to make an appropriate motion, raise a proper point of order, understand the parliamentary situation, or understand the effect of a motion. The Chair is not obligated to answer hypothetical questions.
- The Chair's reply is not subject to **Appeal**, since it is an opinion, not a ruling. However, a member has the right to act contrary to this opinion and if ruled out of order, to **Appeal** such a ruling.

VII.A.15. Point of Information:

- Is a request directed to the Chair, or through the Chair to another member, for information relevant to the business being considered but is not a matter related to parliamentary procedure and requires no vote. A **Point of Information** is not properly used to create a discussion between two members.
- If the **Point of Information** is a question to a member who is speaking, the Chair will ask the member who correctly has the floor if he will yield to a **Point of Information**; the member has the right not to yield, since the time consumed for the **Point of Information** will be taken out of the speaker's allowed time. If the member does not yield, the member raising the point is required to raise the issue in the form of a question to the Chairperson, but the Chairperson usually allows the member who correctly has the floor to answer. After the question is stated, the member raising the matter is obligated to remain silent and allow the member who has the floor to continue.

VII.A.16. Point of Order:

- Means a member believes the rules of the assembly are being violated and is asking for recognition from the Chair to make a determination as to whether or not the procedure that the member feels is pertinent is being violated. A **Point of Order** is not a method or procedure to dispute the accuracy of something that another member has stated, but a way to keep the assembly working on the business that it is supposed to be working on and in accordance with its guidelines and other rules of order.
- This point needs to be made immediately at the time the perceived breach occurs. If a member is uncertain there is a breach of order, he can make a **Parliamentary Inquiry**. Also, it is undesirable to raise **Points of Order** on minor irregularities, if it is clear that no one's rights are being infringed on.

VII.A.17. Postpone to a Definite Time (Definitely):

- Means to put off action on a pending motion until a definite day, meeting or hour or until after a certain event. This motion can be moved regardless of how much debate there has been on the pending motion. A question may be postponed to a more convenient time or because debate has shown reasons for holding off a decision until later. The question may not be postponed beyond the end of the present session.
- When the time to which a question has been postponed arrives, the question can be postponed again if additional delay will not interfere with the proper handling of the postponed motion.
- When consideration of the question is resumed at the specified time, the business is in the same condition as it was immediately before the postponement, including any adhering motions. If the postponed motion is taken up on a different day, the business is in the same condition as it was immediately before postponement with all adhering motions, except the rights of debate begin over again as if it had never been updated.

VII.A.18. Postpone Indefinitely:

- Means the assembly declines to take a position on the main question. Its adoption kills the main motion for the duration of the session and avoids a direct vote on the question. It is useful in disposing of a badly chosen main motion that cannot be either adopted or expressly rejected without undesirable consequences.

VII.A.19. Previous Question:

- Means to immediately close debate and the making of any subsidiary motions, except **Lay on the Table**, of a pending motion. If **Previous Question** is not adopted, debate continues. If adopted, the pending motion immediately goes to vote.

VII.A.20. Question (Point) of Privilege, to Raise:

- Permits a request or main motion relating to the rights and privileges of the assembly or any of its members to be brought up for possible immediate consideration because of its urgency, while business is pending and the request or motion would otherwise be out of order.
- The Chair rules (subject to **Appeal**) only on whether this matter should interrupt pending business. If the Chair rules yes, then the Question is handled depending on its original form. If originally phrased like a request, it is handled as such; if phrased like a main motion, the Question then requires a second, is debatable, amendable, etc., and is handled by the Assembly.
- If there is not urgency, a **Question of Privilege** can be brought to the assembly as a regular motion and handled in the normal course of business.

VII.A.21. Recess:

- Means a short intermission in the assembly's proceedings which does not close the meeting, and after which business will immediately be resumed at exactly the point where it was interrupted.
- If a recess is provided for in the agenda, the Chair simply declares the assembly in recess. If the Chair does not announce a pre-scheduled recess at the scheduled time, a member can **Call for the Order of the Day**. If the assembly wishes to postpone a pre-scheduled recess, it can move to **Suspend the Rules**.

VII.A.22.Reconsider:

- Enables a motion or amendment to be reconsidered if a member believes it was a hasty or ill-advised action or if new information or a changed situation has developed. However, it must be moved by a member who voted on the prevailing side (the seconder may have voted on either side) and it must be moved either on the same or next day of the original vote. If the **Reconsider** is adopted, the motion is brought before the assembly in the exact form as before the original vote was taken and is handled as if it had never been voted on, that is it follows whatever parliamentary rules are appropriate to that motion, whether it is debatable, amendable, etc.
- If the **Reconsider** is debatable, a member has the right to debate the **Reconsider** motion regardless whether his rights to debate were exhausted on the original motion. If the **Reconsider** is adopted the same day as the original vote, a member whose rights to debate the original motion were exhausted are still exhausted; if **Reconsider** is adopted the next day, a member's rights to debate the original motion begin over again.

VII.A.23.Suspend the Rules:

- Enables the assembly to do something without violating one or more of its own regular rules, for instance, to bring a matter up at a different time than originally scheduled. The Chair cannot move this, but can entertain another member to.
- To **Change the Order of the Day** is an application of **Suspend the Rules**, and means to take a question out of its proper order or to consider one before the time to which it was postponed.

VII.A.24.Take from the Table:

- Enables the assembly to make pending again a motion that had previously been **Laid on the Table**. If a matter is not **Taken from the Table** within the same session as the motion to **Lay on the Table**, the matter dies; although the matter can be reintroduced later as a new question.
- If the motion to **Take from the Table** is adopted, the original motion becomes pending in its exact form, including all adhering motions, as when it was laid down. If a matter is **Taken from the Table** on another day, debate rights start over again.

VII.A.25.Voting, motions about:

- Enables the assembly to obtain a vote on a question in some form other than by voice or other than as described in the assembly's standing rules, or to close or reopen the polls.

VII.A.26.Withdraw/Modify a Motion, To Grant the Maker Permission:

- Means the assembly gives permission to the maker to alter or withdraw his motion. This permission is only required after the motion has been stated by the Chair. After the question is stated by the Chair, the motion becomes a pending motion and the property of the assembly which has to dispose of it in some way. A pending motion can be amended only by vote or unanimous consent even if the maker of the motion accepts the amendment.
- Before a question is stated by the Chair, the maker has the right to modify or withdraw it. If the maker of a motion modifies it before it is stated, the seconder has the right to withdraw his second; if a modification is accepted by the maker as suggested by another member, either before or after the motion has been seconded, the suggestion has in effect seconded the modified motion, so no other second is necessary.

VII.B. Table of Formal Motions.

The following chart contains thirty of the more relevant formal motions contained in Robert's Rules of Order, Newly Revised, 1990 edition. While the RSC does not require this level of formality, each of these forms is proper and could be used when in order. The column labeled "Type" refers to the general class of motion: M = Main Motion; S = Subsidiary Motion; P = Privileged Motion; I = Incidental Motion; B = Motions that bring a question again before the assembly.

IX. ADDENDUM B: Guidelines for the Format of RSC Meeting minutes.

- All Trusted Servant reports (Administrative Officers, Resource Positions, and Subcommittee Chairs) should be added to the minutes, either edited into the body of the document, or as addenda (at the end of the document). (amended 7/20/2019)
- All motions should be listed in their complete form. The motions shall be numbered and dated and shall retain such designation until disposed of (i.e. "Motion #1 (9/20/2014)" will always be "Motion #1 (9/20/2014)" in future minutes if not disposed of during the session in which it was introduced).
- The actual count of votes and a clear designation of whether the motion passed or failed is required for each motion.
- Q&A/Discussions should be included in the minutes.
 - When recording discussion, it should be as objective as possible. Include concrete points, not opinions.
 - When there is extensive discussion, summarize the major arguments. Avoid using people's names except for motions or seconds.
 - Verbatim (word for word) recording of discussion is not necessary.
- Roll Call should list all absent participants. (or should list all participants and whether they are present or absent).

X. ADDENDUM C: Motions of Significance

- To Create a detailed form for requesting a Certificate of Insurance and to make the form available at the CTRSC, attached to each month's minutes and be made available on CTNA website. (7/2014)
- To disband the Regional Literature Committee and create a Schedule Facilitator resource position. (8/2014)
- As of January 2015, the contact us page of the CTNA website will have only one link to send requests or questions to called info@ctna.org. The web servant or alt. web servant will then forward to the appropriate committee member or subcommittee chair or RCM. The email addresses that will remain in their appropriate site location are: pr@ctna.org, rd@ctna.org, webservant@ctna.org, and wsr@ctna.org (1/2015)
- To donate the 2014 basic texts from ECCNA to the jails and institutions in the region. The H&I subcommittee will be responsible for the logistics of contacting and shipping. (1/2015)
- To create a standing policy position. (3/2015)
- To make the Fellowship Development Workgroup a standing subcommittee of the CT Region. (7/2020)
- To implement an email listserv application called groups.io to be used to maintain a current email list of RSC members and to be used to send emails out to everyone on that list. (12/2020)
- To set forth standard practice of having every RSC member to email a report in to the Webservant/Secretary by 8 pm the day before the RSC meets. The Webservant/Secretary will compile all reports and send out to every member of the RSC. (4/2021)
- To create an IT Services team. From a functional standpoint the IT Services team would be considered a subcommittee of the CTRSC. The Webservant would become the Facilitator of IT Services and that position would be eliminated. The Alt. Webservant position would also be eliminated because the IT Services team would have a Co-Facilitator, like subcommittees have vice-chairpersons. (10/2021)
- Eliminate Policy from 2014 to create service schedules (trifolds) and annual print. (11/2023)
